

O'DONNELL DIVING & ADAPTED SCUBA

Open Water Scuba Diving Course

Congratulations on taking the first step to becoming a Certified Scuba Diver!

Diving is stimulating, rewarding both mentally and physically and above all FUN. Through the PADI-NIADD training course you will learn all the basic skills to be a safe and comfortable Scuba Diver. The entry-level course is very flexible and is designed to meet your challenging schedule.

The following is general information about the certification course.

- **Class-Pool:** Generally four-six nights of class-pool, Our **Perpetual** scheduling and **Performance** based programming offers you great flexibility. With the aid of Video or CD-Rom the class time can be greatly reduced. Minimum age required for Scuba is 10 years of age.
- **Swimming:** Competency and the ability to be comfortable in the water are stressed more than endurance. Two hundred yards as well as a ten-minute float is all that is required. Once your class/pool training is completed you are ready for your open water training dives. Your training dives can be completed anywhere in the world by way of a referral

Cost for your class/pool training is only **\$185.00**.

Student responsibility: PADI Revised Text Package **\$115.00**
Mask and Snorkel (dive quality)
Adjustable strap fins
Wet suit boots, (for use with fins)

Supplied equipment: Buoyancy Control Device (B.C.D.)
